Legacy - Working With Addresses

Legacy recently re-published three Tuesdays Tip sheets for “Working with Addresses”. Those sheets are listed as Intermediate. Following are the links for those sheets:

Working with Addresses – Part I

https://news.legacyfamilytree.com/legacy_news/2018/06/tuesdays-tip-working-with-addresses-part-i-intermediate.html

Working with Address – Part II

https://news.legacyfamilytree.com/legacy_news/2018/06/tuesdays-tip-working-with-addresses-part-ii-intermediate.html

Working with Addresses – Part III

https://news.legacyfamilytree.com/legacy_news/2018/06/tuesdays-tip-working-with-addresses-part-iii-intermediate.html

Help pages for Addresses:

Click Help tab on Ribbon Bar > Help Index > type in “address” > click on Display button > in Topics Found box at bottom click on “Address” > click on Display button for help detail on Addresses > click on Add button to save in Favorites

Click Help tab on Ribbon Bar > Help Index > type in “address” > click on Display button > in Topics Found box at bottom click on “ New Address” > click on Display button for help detail on Adding or Editing Addresses > click on Add button to save in Favorites
