Legacy – Searches (Search tab > Find  -- OR -- My Toolbar tab > Search )

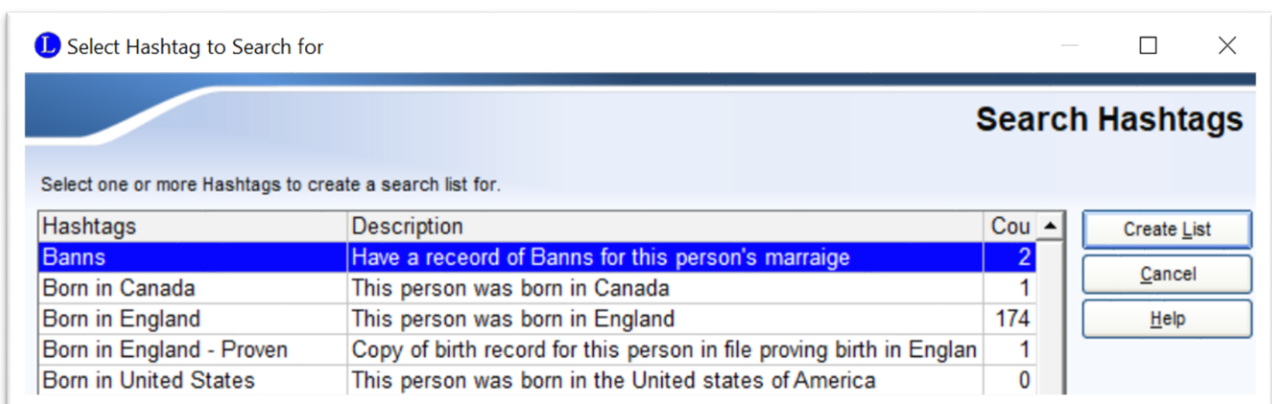

Help pages for Search:

Click Help tab on Ribbon Bar > Help Index > type in “search”.

Note that there is a long list of help pages in the Index under the heading Search. The four most common focused search types are: Query by Example; Detailed Search; Missing Sources; and Missing Information. Another common generic search is Miscellaneous. Each of these searches has its own tab on the Search work page, and there is a separate Help page for each of these search types. You can access the individual Help pages by clicking/highlighting that topic in the list, and clicking the Display button for the Help detail on your selected search type.
