Introduction to The National Archives (TNA)

- TNA is not a library
- TNA is not a family history site

The National Archives of where?

- England and Wales (from 1536)
- the United Kingdom (which included Ireland)
- records from central UK government departments and agencies, plus parts of the legal system of England and Wales
- British or English colonies or dependencies (including America colonial records)
- certain historical documents, such as Domesday Book (1086)

Formation of The National Archives

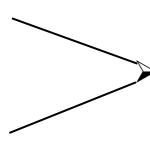

Public Records Act of 1958 governs what records come into TNA; established 2003

Public Record Office, Historical Manuscripts Commission, Her Majesty's Stationery Office
