## CeCe Moore - "The Genetic Detective Tells Her Story" *Solving the Unsolvable*

CeCe is known as the Genetic Genealogist. She combines DNA analysis with traditional research to do some truly amazing discoveries. Solving cold cases for law enforcement, reuniting adoptees and others of unknown parentage with their biological families, and even identifying individuals who might otherwise remain unknown. You may also recognize her from the PBS series Finding Your Roots with Henry Louis Gates, Jr., or from her own ABC television series The Genetic Detective.
